# FY 2026-2027 Recommended Budget

## General Information

The Office of Management and Budget (OMB) begins the planning for the development of the budget and adoption process in January. Through various meetings and interaction with Administration, funding priorities are reviewed, and financial policies are discussed and adjusted if deemed necessary. The OMB office develops the budget calendar for the approaching budget cycle. Financial history and current activities are uploaded from the financial software to the budget software. The funding priorities and various budget information of the BCC are translated into the budget instructions provided to the departments and constitutional officers.

The County budget process is based on an evaluation of the historical cost of providing selected services. Each department and agency develop detailed historical information for each cost center and what is needed in the budget for the upcoming year. Management determines whether funds are needed to accomplish the goals and objectives of a department. Revenues are broken into details based on any restrictions that apply to their use. Expenditures are divided based on any funding restrictions and based on how different types of expenditures must be reported to the State of Florida.

## Overview

The County's total Recommended FY2026-2027 Budget is \$222,049,980. County staff, as directed by the County Administrator, formulated the Recommended FY2026-2027 Budget. This budget was presented to the Board of County Commissioners on June 30, 2026.

The Recommended FY2026-2027 Budget for Highlands County is prepared in accordance with Chapter 129 of the Florida Statutes and TRUTH IN MILLAGE (TRIM) requirements as promulgated by the Department of Revenue. Specific requirements are detailed in the budget process calendar. The FY2026-2027 Budget is prepared on a basis consistent with Generally Accepted Accounting Principles (GAAP). Governmental Funds are accounted for on the modified accrual basis of accounting.

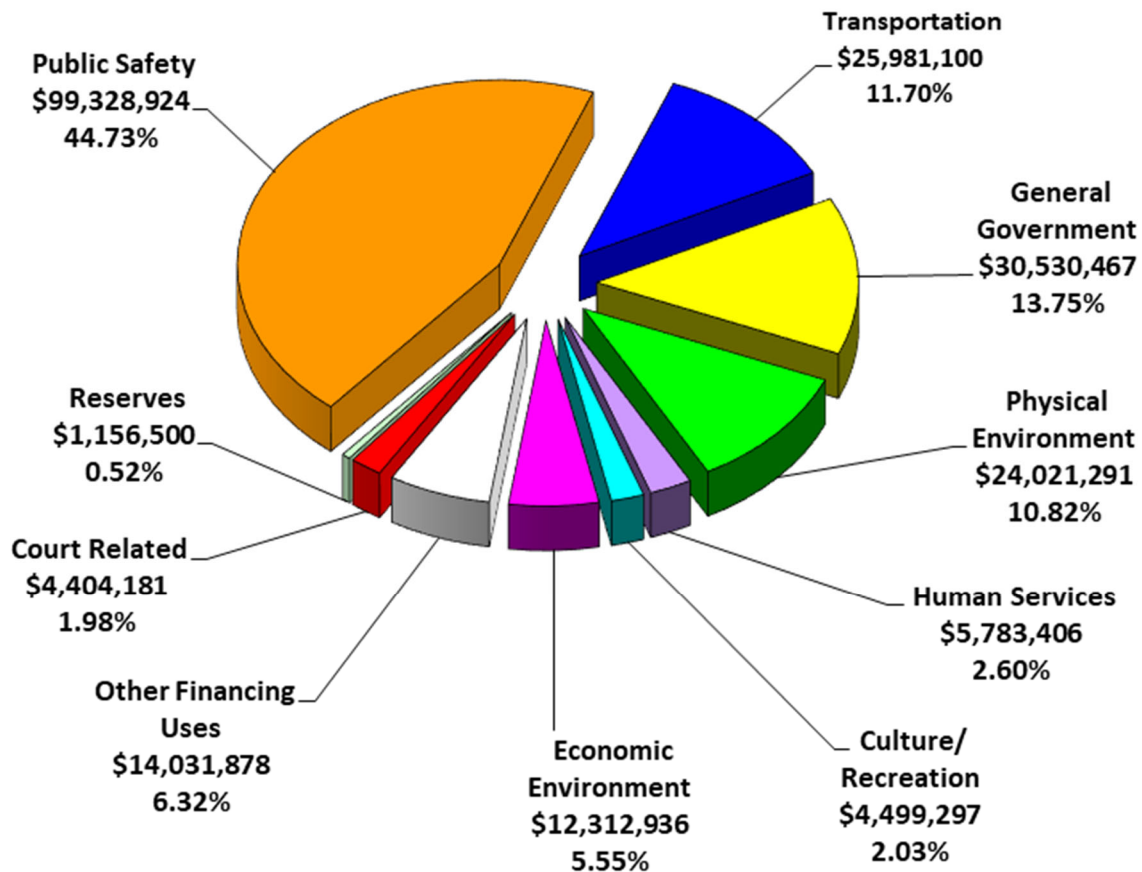

The Board of County Commissioners, Sheriff, Clerk of Circuit Court, Property Appraiser, Tax Collector, and the Supervisor of Elections maintain separate accounting systems and budgets. Expenditures by the Constitutional Officers (Sheriff, Clerk of Circuit Court, Property Appraiser, Tax Collector, and Supervisor of Elections) are controlled by appropriations in accordance with budget requirements set forth in the Florida Statutes.

The expenditure summary for the Recommended Budget is included beginning on page 30 of this summary.

## Budget Expenditures Highlights by Functional Area

The Recommended FY2026-2027 Budget, including both capital and operating expenditures, totals \$222,049,980. The expenditures grouped by functional area are as follows:

EXPENDITURE CATEGORY	% to TOTAL	AMOUNT
Public Safety	44.73%	\$99,328,924
Transportation	11.70%	25,981,100
General Government	13.75%	30,530,467
Physical Environment	10.82%	24,021,291
Human Services	2.60%	5,783,406
Culture/ Recreation	2.03%	4,499,297
Economic Environment	5.55%	12,312,936
Other Financing Uses	6.32%	14,031,878
Court Related	1.98%	4,404,181
Reserves	0.52%	1,156,500
<b>Total</b>	<b>100.00%</b>	<b>\$222,049,980</b>

Note: Percentages displayed in the chart may not total 100 percent due to rounding issues.

**Public Safety:** Services in this functional area are provided by Highlands County Board of County Commissioners and the Sheriff for the security of county residents and their properties. The major areas included are the Sheriff's Department, Emergency Medical Services, Emergency Management, and Fire Services.

**Transportation:** Services in this functional area are provided by Highlands County to offer safe and adequate flow of vehicles, travelers, and pedestrians. The major areas include the Engineering Services, the Road and Bridge Departments, Traffic Operations and the road improvement districts.

**General Government:** Services in this functional area are provided by the Legislative and Administrative branches of Highlands County Government for the benefit of the public and the County Government. The major areas include Board of County Commissioners, Tax Collector, Property Appraiser, Clerk of Courts, County Administrator, Office of Management and Budget, Purchasing, Facilities, Human Resources, Risk Management and Development Department.

**Physical Environment:** Services in this functional area are provided by Highlands County for the primary purpose of achieving a satisfactory living environment by controlling and utilizing elements of the environment. Solid waste operations comprise the majority of these services.

**Human Services:** This functional area provides health and human services. The major areas include the Highlands County Public Health Unit and Community Program Services Department.

**Culture/Recreation:** This functional area offers the provision and maintenance of cultural and recreational facilities and activities for the benefit of citizens and visitors of Highlands County. The major areas include Parks, Libraries and Recreation Departments.

**Economic Environment:** This functional area provides services that develop and improve the economic condition of the community. The major areas include Office of Economic Development, Tourist Development, State Housing Initiatives Partnership and Veterans Services.

**Court Related:** This functional area provides services for court administration, criminal court, civil court, juvenile court, traffic court, court reporting, courthouse security, and maintenance of court related facilities. This function is intended to quantify expenditures by the counties in the State of Florida in support of the state court system created by Article V of the state constitution Proposed in 1972.

**Reserves:** This functional area provides reserves for contingencies for unanticipated events and associated expenditures (i.e. natural disasters).

**Interfund Transfers:** Includes transfers of moneys between funds, which are not classified as expenditures.

# Budget Revenue Highlights

The County's FY2026-2027 Recommended Budget is funded by a variety of revenue sources. The major revenue sources are: Ad Valorem (Property) Tax, Half Cent Sales Tax, State Revenue Sharing, Motor Fuel Taxes, Infrastructure Surtax, Solid Waste and Fire Assessments. The largest single source of revenue directly used for the operation and services of the County is the Ad Valorem Tax. The OMB office uses a variety of information and statistical methods to estimate these revenue sources. A database of monthly collection data has been developed that contains ten (10) years of information on the major revenue sources. The collections are monitored, and monthly reports are prepared for management review.

**Property Taxes:** For the FY2026-2027 Recommended Budget, the overall taxable value of property in Highlands County has increased for the thirteenth consecutive year. The State of Florida continues to see increases in property values as a whole, especially along the coastal areas. Highlands County has lagged the trends of the State of Florida and the coastal areas regarding property value in prior years but has seen increases the past few years. The estimated roll back millage rate for FY2026-2027 is 6.8807. The FY2026-2027 Recommended Budget for Highlands County includes a millage rate of 7.60 mils. The taxable value amount of Ad Valorem Property Taxes for FY2026-2027 increased 5.39% over last year and the growth from new construction is 1.40%. The combined increase in property tax value for FY2026-2027 is 6.79%. The comparison of ad valorem taxes between the final adjusted value for FY2025-2026 and the preliminary value for FY2026-2027 shows an increase of \$4,219,661. The growth from new construction, which is not part of the roll back millage rate calculation, will add \$870,094 to the ad valorem taxes collected while the non-new construction growth of ad valorem taxes for FY2026-2027 is an increase of \$3,349,567 from FY2025-2026. The tentative millage rate (7.60 mils) will generate \$66,382,461 in property taxes at the 95.0% rate of anticipated revenue. The chart on page 25 provides a look at the growth of the ad valorem tax base from FY2005-06 to present. A minimum of 95% of the anticipated revenue from this source must be budgeted to comply with Truth In Millage (TRIM) requirements.

**Half-Cent Sales Tax:** The half-cent sales tax is collected by the State and distributed to local governments based on taxable sales within the County. The cities and county governments share the proceeds based on a population formula. Chapter 92-319 of the 1992 Amendments revised the sales tax on boats and expanded the sales tax base by including the sale of rare coins, detective, burglar protection, nonresidential cleaning, and nonresidential pest control services. The expanded sales tax base resulted in an increase in the amount of sales tax revenues collected by the State. However, Chapter 92-319 reduced the proportion of sales tax revenues deposited in the Local Government Half Cent Sales Tax Trust Fund to 9.653%. Chapter 2003-402, Laws of Florida further decreased the percentage to 8.814% as part of the funding reforms of the State court system. The additional reduction represented an 8.69% reduction in the amount transferred to the trust fund for distribution to the counties. In FY2026-2027, the half-cent sales tax is anticipated to provide \$6,397,540 which is a 6.61% decrease of the FY2025-2026 estimate.

**State Revenue Sharing:** The State Revenue Sharing Act of 1972 established trust funds for certain State levied tax moneys to be shared with counties and municipalities. The formula for distribution is based upon population and sales tax collections. The legislative session of 2000 replaced the intangibles tax with a share of the state sales tax of 2.25%, to assist in recovering the loss of income. This still resulted in a major reduction in this source of revenue for FY2000-2001 and subsequent years. In addition, Chapter 2003-402, Laws of Florida decreased the percentage to 2.044%, which represents a reduction of 9.16%. The County anticipates revenues of \$3,300,000 in FY2026-2027, which is unchanged compared to the FY2025-2026 estimate.

**Motor Fuel Taxes:** Five (5) types of motor fuel taxes comprise this source of revenue:

**The Constitutional Gas Tax** is a 2-cent tax imposed by the State and distributed to county governments effective July 1, 1978. The County may use this excise tax for the funding of new road construction, resurfacing, safety projects and improvements, purchases of right-of-way, bridge replacements and traffic signals on the 1,121 miles of the County road system, which includes about 163 miles of unpaved roads. Twenty percent (20%) of these funds are payable to the County as they are collected. The remaining eighty percent (80%) is first applied toward retirement of Road Revenue Bonds and any excess is remitted to the County. Highlands County does not have any outstanding Road Revenue Bonds. The County anticipates revenues of \$1,967,303 in FY2026-2027, which is an increase of 2.17% of the FY2025-2026 estimate.

**The County Gas Tax** is a 1-cent tax imposed by the State and distributed to county governments for funding the acquisition of rights-of-way, the construction, reconstruction, operation, maintenance and repairs of transportation facilities, roads and bridges. The County anticipates revenues of \$836,970 in FY2026-2027, which is a 0.18% increase of the FY2025-2026 estimate.

**The Local Option Gas Taxes** are two separate levies. The first is a 0 to 6-cent gas tax imposed by County ordinance on all motor fuel and special fuel, collected by the State and distributed back to the cities and County based on an inter-local agreement. The first 6-cent local option gas tax will expire on December 31, 2045. The second tax is a 0 to 5-cent levy on motor fuel only. This additional tax was imposed by extraordinary vote of the Board of County Commissioners (majority plus one) at a rate of 3-cents effective on January 1 of 1993. The rate increased to 5-cents on January 1st of 2004 and will remain in effect until midnight on December 31st of 2029. This additional levy was enacted for the sixth five-year period when it was extended through 2029. The revenue that is anticipated is shown in the graph below. The County anticipates revenue of \$2,597,465 for the 6-cent gas tax in FY2026-2027, which is a 6.40% decrease of the FY2025-2026 estimate. The FY2026-2027 anticipated revenue for the 5-cent gas tax is \$1,600,205 which is a 10.02% decrease of the FY2025-2026 estimate.

**The Ninth Cent Gas Tax** is a 1-cent gas tax on motor fuel and diesel fuel. This tax is mandatory on diesel fuel effective January 1, 1994 (F.S. 336.021(6)). The Board of County Commissioners has elected to impose this tax on motor fuel also by extraordinary vote and is scheduled to sunset on December 31, 2025. The Board elected to extend the Ordinance for an additional five (5) years in 2019. The County anticipates revenue of \$568,212 in FY2026-2027, which is a 6.87% decrease of the FY2025-2026 estimate.

These five gas taxes are expected to yield \$7,570,157 in FY2026-2027 which is a 4.47% decrease as compared to the current fiscal year estimates. County road projects for FY2026-2027 include reconstructing or paving approximately 4.7 miles of county road segments classified as below standard or unpaved condition and resurfacing approximately 12.79 miles of county paved roads as well as performing routine maintenance.

### Infrastructure Surtax

**Infrastructure Surtax:** The infrastructure surtax is a 1-cent sales tax levied by Highlands County based on a referendum vote for the purpose of construction, reconstruction, or improvement of public facilities pursuant to Chapter 212.055 Florida Statutes. The infrastructure surtax is anticipated to generate \$15,000,000 in FY2026-2027 which is a 3.48% decrease from FY2025-2026 estimated collections.

**Solid Waste Assessment** The solid waste assessment, currently at \$236.36 per year, is levied by County ordinance against each residential dwelling unit in the unincorporated area of Highlands County. The solid waste assessment funds mandatory garbage collection and disposal, landfill operations, and recycling programs. For the current 2025-2026 Fiscal Year, the solid waste assessment revenue is up 4.69% compared to the same time one year ago due to an assessment increase from \$229.47 as well as numerous new accounts. The County anticipates revenue of \$10,927,812 in FY2026-2027.

During Fiscal Year 1999-2000 contracts were re-bid to waste haulers with the result being to retain the haulers in both districts. However, there was no increase of fees required and an increase of service was obtained, namely, to remove yard waste twice a month instead of the previous once a month schedule. In Fiscal Year 2005-2006, the contract was amended to utilize a single hauler for the same services and assessment amount. The contract was re-bid in FY2010-2011 with no increase in the assessment and then in FY2015-2016 a new contract for recycling was agreed upon with the franchise hauler which included an increase in the solid waste assessment for the first time in twenty-one years. Due to increases in operating and capital costs at the landfill, the Board approved to increase the assessment from \$173.00 to \$210.00 for FY2021-2022, a 3% increase to \$216.30 for FY2022-2023, a 3% increase to \$222.79 for FY2023-2024, a 3% increase to \$229.47 for FY2024-2025, and a 3% increase to \$236.36 for FY2025-2026. A new 10-year contract is currently being negotiated with an October 1, 2026, commencement date and an estimated assessment of \$280.56 for FY2026-2027.

These revenues mentioned above represent some of the major funding sources for county operations on an annual basis.

The comparison of all revenue sources by category reveals the composition of those sources.

REVENUE SOURCE	% to TOTAL	AMOUNT
Taxes	50.16%	\$ 111,390,213
Licenses & Permits	0.88%	1,950,300
Intergovernmental	12.41%	27,554,810
Charges for Services	8.13%	18,049,173
Fines	0.06%	142,500
Miscellaneous	5.37%	11,924,424
Other Sources	0.00%	0
Interfund Transfers	6.51%	14,460,661
Fund Balance	16.47%	36,577,899
<b>Total</b>	<b>100.00%</b>	<b>\$ 222,049,980</b>

Note: Percentages displayed in the chart may not total 100 percent due to rounding issues.

**Taxes:** The largest source of revenue is from taxes. This category includes ad valorem taxes, sales and uses taxes, gas taxes and franchise fees.

**Intergovernmental Revenues:** These are comprised of state and federal grants, as well as state shared revenues such as the half-cent sales tax, motor fuel tax, and the cigarette tax.

**Miscellaneous:** Revenues considered in the miscellaneous category are interest earnings, rents and royalties, special assessments, disposition of fixed assets, sales of surplus material, and contributions from private organizations.

**Charges for services:** This category encompasses ambulance fees, clerk of court fees, public safety inspection fees, and other fees that are charged by various departments for operating services rendered.

**Licenses and Permits:** Revenues from licenses and permits include professional/occupational licenses, building permits, and other licenses and permits.

**Fines and forfeitures:** Library fines, violations of local ordinances, and other fines and forfeitures are included in this designation.

## Budgetary Funds

In order to budget and account for governmental receipts and expenditures, the Board of County Commissioners has created various "funds" within the budget. Fund accounting is required by State and Federal regulations as well as by Generally Accepted Accounting Principles (GAAP).

This budget uses the following types of funds to account for revenues and expenditures:

**General Fund:** This fund accounts for 58.09% of the Recommended FY2026-2027 budget and supports the vast majority of County government services as well as the budgets of the Elected Officials.

**Special Revenue Funds:** These funds are used to account for revenues that are restricted in their use by the State or Board of County Commissioners and must be kept separate from other County revenues. These funds include Transportation Trust Fund, Public Improvement Districts, E-911 Operations, Infrastructure Surtax and Fire Assessment Funds.

**Debt Service Funds:** These funds are used to separately account for the principal and interest payments on the 2021 Revenue Note and the 2025 Revenue Note. The Board of County Commissioners utilizes the distributions from the Infrastructure Sales Surtax to retire the notes.

**Capital Project Funds:** These funds record expenditures for capital projects. During FY2026-2027, there will be several capital projects under construction.

**Enterprise Funds:** These funds are used to account for certain self-supporting public services provided by County Government - services that generate their own revenues from fees, charges, and other receipts. The Solid Waste Enterprise Fund was implemented in FY94-95. The Asphalt Plant was constructed and operating in FY07-08 at the landfill site. The Water and Sewer Utilities ownership and operations were transferred to the Town of Lake Placid on June 1, 2012. Currently, the County does not have any responsibility or interest in any utility systems.

A more detailed explanation of the revenues, expenditures, and services provided through each fund is contained in the following pages.

In addition to the budgetary funds, the BCC maintains two Internal Service Funds for the financing of goods or services provided by one department or agency to other departments or agencies of the BCC and to other governmental units, on a cost reimbursement basis. Those funds are:

**Risk Retention** - to account for the fiscal activity related to an insurance trust program for general liability, property and workers' compensation needs of the County departments and elected officials currently through Preferred Governmental Insurance Trust (PGIT). Claims for this insurance coverage are administered by PGIT.

**Employee Benefit** - to account for employer and employee contributions to the County's medical insurance plan and the payment of insurance premiums. Prior to FY 2019/2020, health benefits had been provided by the County through Blue Cross Blue Shield of Florida network and Blue Cross Blue Shield had been our plan administrator for the past fourteen years. However, commencing in FY 2019/2020, the County decided to move this coverage to Cigna. FY2026/2027 will be the eighth year that health care benefits will be provided by Cigna.

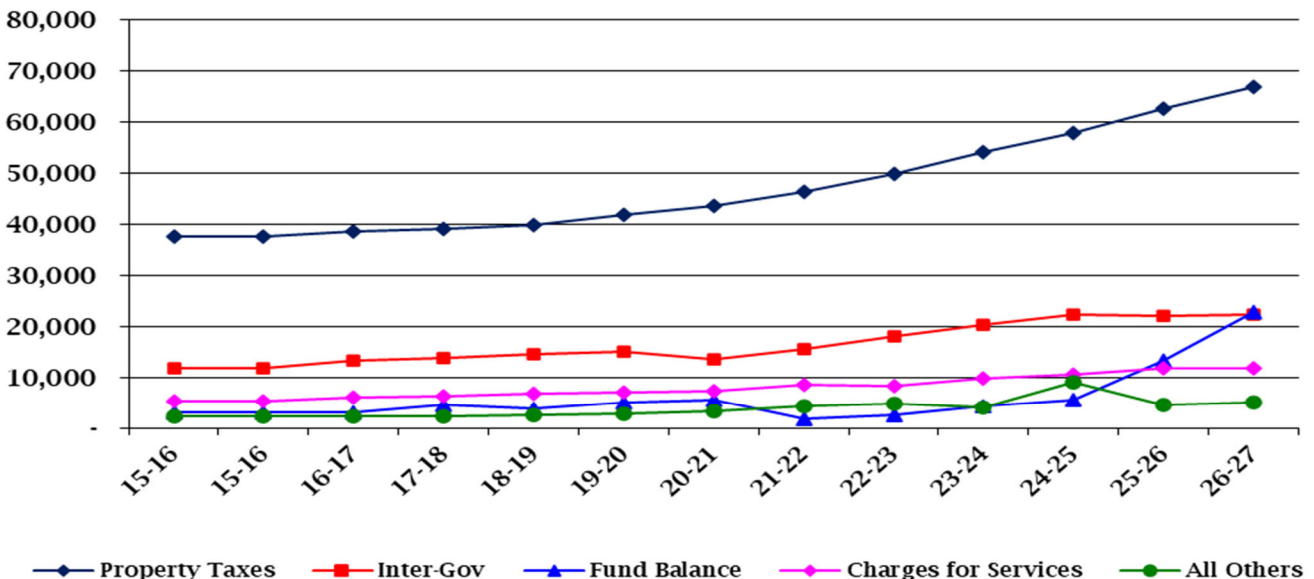

# General Fund

The General Fund contains the operating expenditures for services that are countywide in nature, as well as the budgets of the Constitutional Officers. The projected revenues by category for the General Fund are as follows:

**Property Taxes** are moneys collected through an ad valorem levy on all non-exempt property in the County. **Intergovernmental** revenues include sales tax and State revenue sharing from the State of Florida. **Charges for services** are primarily fees charged for Emergency Medical Services. **Other taxes** are the franchise fees received by the County. **Miscellaneous** revenues include interest, administrative fees, building rentals, and miscellaneous reimbursements. **Fines and forfeitures** include all court and library fines. **Interfund Transfers** represent an operating transfer in from other funds. **Licenses and permits** include animal control licenses. **Fund Balance** is the fund balance brought forward for budgetary purposes.

REVENUE SOURCE	% of TOTAL	AMOUNT
Property Taxes	51.78%	\$ 66,782,461
Licenses & Permits	0.00%	0
Intergovernmental	17.31%	22,324,808
Charges for Services	9.19%	11,857,372
Fines & Forfeitures	0.11%	142,500
Communications Services	0.39%	500,575
Fund Balance	17.81%	22,969,649
Interfund Transfers	0.14%	174,915
Miscellaneous	3.28%	4,229,135
<b>Total</b>	<b>100.00%</b>	<b>\$ 128,981,415</b>

Thousands

The Recommended General Fund expenditures by major categories are as follows:

EXPENDITURE CATEGORY	% to TOTAL	AMOUNT
Personal Services	56.49%	\$ 72,856,719
Operating Expenses	42.22 %	54,458,316
Operating Capital	1.29%	1,666,380
<b>Total</b>	<b>100.00%</b>	<b>\$ 128,981,415</b>

Note: Percentages displayed in the chart may not total 100 percent due to rounding issues.

Services budgeted in the General Fund include General Administrative Services, Business Services, Public Safety Services, Parks & Facilities, Community Programs, and Development Services. Additionally, the General Fund supports the budgets of the five Constitutional Officers: the Sheriff, Clerk of the Court, Supervisor of Elections, Property Appraiser, and Tax Collector. The operations of these elected officials are funded by, but not controlled by, the Board of County Commissioners.

General Fund expenses are distributed as follows among the operating departments and the various elected officials:

CONSTITUTIONAL OFFICER	% to TOTAL	AMOUNT
BOCC	47.57%	\$ 61,356,737
Sheriff's Office	40.04%	51,647,409
Clerk of the Court	5.00%	6,449,660
Property Appraiser	3.33%	4,301,355
Tax Collector	2.38%	3,065,661
Supervisor of Elections	1.68%	2,160,593
<b>Total</b>	<b>100.00%</b>	<b>\$ 128,981,415</b>

Note: The Reserves for Contingency for the various Elected Officials are contained within the BCC Operating Department's cost centers.

## Transportation Trust Fund

The Transportation Trust Fund contains the operating expenditures for services related to construction and maintenance of the County road system. The projected revenues by category for the Transportation Trust Fund are as follows:

REVENUE SOURCES	% to TOTAL	AMOUNT
Intergovernmental	20.88%	\$ 3,506,874
Taxes	28.82%	4,840,884
Fund Balance	0.00%	0
Miscellaneous	9.68%	1,625,712
Charges for Services	1.44%	242,615
Licenses & Permits	1.04%	175,000
Interest	0.00%	500
Interfund Transfers	38.14%	6,407,459
<b>Total</b>	<b>100.00%</b>	<b>\$ 16,799,044</b>

**Intergovernmental** revenues include Constitutional Gas Tax, County Gas Tax distributions, and miscellaneous reimbursements. **Taxes** category is comprised of the Local Option Gas Tax and Communication Services Tax. **Internal Services** are the fund balances utilized for budgetary purposes. **Miscellaneous** includes reimbursements from General Fund departments for services provided and for road resurfacing and road construction reimbursements from the

Infrastructure Sales Surtax Fund. **Charges for Services** are inspection fees. **Interfund Transfers** represent an operating transfer in from other funds. **Licenses and Permits** are driveway permit fee collections. **Interest** represents the anticipated earnings on funds on deposit.

The Transportation Trust Fund expenditures by major category are as follows:

EXPENDITURE CATEGORY	% to TOTAL	AMOUNT
Personal Services	66.22%	\$ 11,124,946
Operating Expenses	33.45%	5,619,892
Operating Capital	0.32%	54,206
<b>Total</b>	<b>100.00%</b>	<b>\$ 16,799,044</b>

**Note:** Percentages displayed in the chart may not total 100 percent due to rounding issues.

The departments funded in the Transportation Trust Fund include Road & Bridge and County Engineering Services. Services provided include road maintenance, road construction, surveying for road and drainage projects, fleet maintenance, carpentry shop, traffic operations (sign and signal maintenance), roadside mowing, shell pit operations, geographic information systems, and multi-use paths/sidewalks.

Projects normally completed by the Transportation Trust Fund include resurfacing approximately 12.79 miles of county paved roads and reconstructing approximately 4.7 miles of county roads classified in below standard condition, as well as routine maintenance of the remaining portion of the county road system. The county road system consists of approximately 1,121 miles of county-maintained roads, which includes about 958 miles of paved and about 163 miles of unpaved roads. Funding for Capital Improvement Projects is provided by the Local Option Sales Tax. Operational costs are funded through the Transportation Trust Fund.

## Other Fund Highlights

Local Option Sales Tax Fund (Infrastructure Surtax): The Infrastructure Surtax Fund accounts for the majority of the expenditures included in the Capital Financial Strategy (CFS) for FY2026-2027. The Recommended CFS project budget appropriations for FY 2026-2027 are as follows:

EXPENDITURE CATEGORY	% to TOTAL	AMOUNT
General Govt	17.06%	\$ 3,211,957
Public Safety	16.64%	3,133,231
Physical Environment	1.38%	260,000
Transportation	44.77%	8,427,382
Economic Development	0.00%	0
Human Services	0.45%	85,580
Culture & Recreation	2.43%	456,598
Other Uses	16.20%	3,049,652
Reserves	1.06%	200,000
Court Related	0.00%	0
<b>Total</b>	<b>100.00%</b>	<b>\$ 28,824,400</b>

Note: Percentages displayed in the chart may not total 100 percent due to rounding issues.

Detailed descriptions of the individual projects are contained in the CFS Plan. Copies of the plan are available for review or purchase from the Office of Management and Budget (OMB).

As previously mentioned, road resurfacing, road construction and reconstruction are funded through the infrastructure surtax fund. Some projects in the budget are: construction of new fuel stations, the EOC building expansion, R&B Office Expansion

building, Technology Improvements and Animal Control building.

**Enterprise Funds:** There are two enterprise funds contained in the budget. These funds are used to account for certain self-supporting public services provided by County Government - services that generate their own revenues from fees, charges, and other receipts. The Solid Waste Enterprise Fund was implemented in FY 1994-95. The Energy Recovery Fund was created in FY 2007-08. The Water and Sewer Utilities ownership and operations were transferred to the Town of Lake Placid on June 1, 2012. Currently, the County does not have any responsibility or interest in any utility systems.

### **The Solid Waste Enterprise Fund**

This fund includes projects for the operation of the Arbuckle Landfill site, recycling operations at the Desoto City site, and maintenance of a wetlands mitigation area at the Arbuckle site.

The mandatory garbage collection program is also operated from this fund. One private company has an exclusive franchise for residential garbage collection service. A non-ad valorem assessment of \$280.56 is planned to be levied for each residential unit annually. This assessment covers the cost of curbside pickup of municipal solid waste, three (3) recycling drop-off stations, disposal of the garbage in the landfill, and removal of yard waste and bulk waste. This assessment will provide for additional funds for future expansion at the landfill.

Construction of Cell 3 at the Arbuckle Creek Road facility was completed during FY 2002-03. This cell is twice as large as the two previous cells that were constructed and completes the base of the first pyramid for the above ground landfill. The projection for the capacity of the combined cells is approximately 20 years and should reach capacity within the next year. Construction of Cell 5 has been completed during the current fiscal year (FY25-26).

### **Landfill Closure and Post-Closure Care Cost**

Highlands County has four landfill sites that are comprised of a total of ten (10) cells, five (5) of which are currently in operation. State and Federal laws and regulations require the County to place a final cover on the five cells currently in use when they are closed and to perform maintenance and monitoring functions for all landfill sites for thirty (30) years after closure. Landfill operations and landfill closure and post-closure care costs are accounted for in the Solid Waste Enterprise Fund. Although closure and post-closure care costs will be paid only near or after the date the landfill stops accepting waste, the County reports as a liability a portion of closure and post-closure care costs based on landfill capacity used as of the balance sheet date. The landfill closure and post-closure care liability of \$11,104,498 at September 30, 2025 represents the cumulative amount reported to date based on an average use of 60% of the total estimated capacity. The portion of the liability related to 2025 usage is an increase of \$695,847. It is estimated that an additional liability totaling \$7,270,175 for Arbuckle Creek Cell IA, IB, 3, C&D, and Agriculture Plastic will be recognized between the balance sheet date and the dates these cells will be filled to capacity in the years 2026, 2031 and 2099, respectively. Actual costs may differ due to inflation, changes in technology, or changes in landfill laws and regulations.

The County is required by State and Federal laws and regulations to make annual contributions to a landfill management escrow account to finance closure and post-closure care financial assurance requirements. The County is in compliance with these requirements as of September 30, 2025, with cash and investments of \$11,104,498 held for these purposes.

The County expects that future inflation costs will be paid from future contributions and interest earnings on these contributions. In the event closure escrows and interest earnings prove inadequate due to higher than expected inflation, changes in technology or changes in laws or regulations, these costs may need to be financed by future landfill users or future tax revenue.

## **Energy Recovery Fund**

This fund accounts for the operation of the Asphalt Plant that was approved and constructed in FY2007-2008. The Asphalt Plant was constructed at the landfill site to use methane gas produced by the landfill as an energy source for powering the plant. The amount of materials that can be recycled from the landfill in the making of asphalt can reduce the price of the asphalt. This will allow the County to pave additional roads and better maintain the road system due to the savings in producing our own asphalt.

## **Impact Fee Funds**

Highlands County Proposed impact fees on September 5, 2006. Tindale-Oliver & Associates, Inc. provided an impact fees study with the estimated cost for eight different impact fees. Transportation, Parks & Recreation, Correctional Facilities, Fire, Libraries, Law Enforcement, EMS, and Public Schools were all Proposed impact fees by the Board of County Commissioners. All impact fees except for the Public Schools are at 30% of Tindale-Oliver & Associates, Inc. estimated impact fees. The Public Schools impact fees were implemented at 50% of Tindale-Oliver & Associates, Inc. estimated impact fees. The Board of County Commissioners voted unanimously to approve the impact fees with indexing of the fees being evaluated each year. The Board of County Commissioners agreed to revisit the impact fees annually and make any adjustments to the implementation percentage or indexing for inflation. In June of 2010 the Board of County Commissioners Proposed the methodology of Duncan and Duncan to replace and update the original Tindale-Oliver & Associates, Inc. study. In June of 2009 the Board of County Commissioners suspended impact fees for one-year effective July 1, 2009. In June of 2010, 2011, 2012 and in 2013, the Board of County Commissioners agreed to suspend impact fees for an additional year thru June 30, 2014. On June 17, 2014, the Board of County Commissioners agreed to suspend fees for three (3) years until July 1, 2017; then on June 20, 2017 and June 5, 2018, Impact fees were suspended until June 30, 2018 and June 30, 2019, respectively. On May 21, 2019, the Board agreed to suspend impact fees thru June 30, 2020, and then on April 21, 2020, the Board approved the suspension of impact fees for three (3) years effective July 1, 2020, thru June 30, 2023 and suspended again on June 20, 2023 effective July 1, 2023 thru June 30, 2024. A year ago, on July 2, 2024, the Board again suspended impact fees thru June 30, 2025 and on June 17, 2025, the Board again suspended impact fees for an additional year. A new impact fee/alternative funding source study was budgeted in FY 2023-2024, has commenced in FY 2024-2025, the results were presented in FY 2025-2026 with a Board decision due in June 2026.

Effective with Fiscal Year 2023-2024, Impact Fee fund balances have been depleted and there are no funds remaining to be budgeted.

## **Debt Service**

Debt service is comprised of notes payable, revenue certificates, and certificates of indebtedness. The debt service information is contained in Section O.

## Cash Management

Throughout the year, the Clerk of Court's Investment Advisory Group invests county funds in excess of those required to meet current expenses. In accordance with the investment policy approved by the Board in December 2016, these funds are invested in various local government investment pools, state and local government series securities, money market funds, certificates of deposit, and a Truist checking account used for daily operations.

The local government investment pools were established to assist units of local government in maximizing net earnings on invested surplus funds, reducing the need for the imposition of additional taxes on county taxpayers. By pooling funds, participating governments benefit from economies of scale, full-time portfolio management, diversification, and liquidity. Investment managers of the pools typically allocate interest to the participants daily proportionate to the size of each government's investment. Local government investment pools offer various liquidity options. Some provide more immediate availability of funds while others offer longer term options with maturities ranging anywhere from one-month to a year. Investments consist of U.S. Government and agency repurchase agreements and certain corporate short-term obligations. The pooled fund minimizes interest rate risk by keeping average maturities short.

State and Local Government Series (SLGS) securities are special purpose securities that the US Treasury issues to state and local governments to assist with compliance of federal tax laws and IRS regulations governing the investment of cash proceeds generated from a tax-exempt bond issuance.

The Board utilizes a Truist checking account for daily operations. The funds are in a Public Funds Interest Checking Account (collateralized per Florida Statutes Chapter 280), and the account will earn credit of 125 bps or 1.25%, applied to the compensating balance. For balances above the compensating / target balance, Truist will pay an interest rate of 1.750%. Under terms of the Extension, earnings credits will be applied as compensating balances to offset service fees.

Interest earned on pooled investments is allocated to the participating funds based on their average monthly balances.

## Risk Management

### **Risk Retention Fund:**

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disaster. Effective April 1, 2009, the County became a member of Preferred Governmental Insurance Trust (PGIT), a local government liability risk trust. PGIT administers insurance activities relating to property, general liability, public official's and employment practices liability, worker's compensation, crime, and auto physical damage. PGIT provides insurance coverage directly with insurance providers for insurance coverage of the County but the County is liable for the deductible on certain coverages.

### **Employee Benefit Fund:**

On October 1, 1977, the County established the Employee Benefit Fund to self-insure County employees and their dependents for group medical costs. In 1989, the County transferred its assets, liabilities and fund equity to an internal service fund. Medical claims are paid for by the premiums generated by employee contributions for dependents and contributions by the County for employees. This Fund was reestablished during FY 2012-2013.

The County has approved medical insurance coverage through Cigna for employees and optional coverage for spouse and dependents for FY2026-2027. This is an insured plan that also includes optional dental coverage; \$15,000 in life insurance is also provided for each employee and is included in the premium for health coverage.

## Retirement Plan

All full-time employees of the County are participants in the Florida Retirement System (FRS), a defined benefit, multiple employer cost sharing public retirement system, which is controlled by the State Legislature and administered by the State of Florida, Department of Administration, and Division of Retirement. The FRS plan covers over 635,000 active members including 458,689 Pension Plan members and 179,577 Investment Plan members of various governmental units within the State of Florida. Since FY 2002-2003, employees have had the option to convert to an alternative plan referred to as the Public Employees Optional Retirement Plan (PEORP) or FRS Investment Plan. This plan provides for vesting after one (1) year of employment and provides portability if the employee leaves employment within the FRS system. The PEORP provides the employee with various investment options at the discretion of the employee. Such control of the investment of retirement benefits is not permitted under the FRS Pension Plan. Members of the FRS Investment Plan are not eligible for the Deferred Retirement Option Program (DROP).

The FRS Pension Plan provides for vesting of benefits after 6 years of creditable service for employees hired prior to July 1, 2011 and vesting of benefits after 8 years for employees hired after June 30, 2011. Effective July 1, 2011, all FRS members must contribute 3% of their salary as retirement contributions, on a pre-tax basis to the retirement plan. For FRS members hired before July 1, 2011, normal retirement benefits are available to employees who retire at or after age 62 with 6 or more years of service. Early retirement is available after 6 years of service with a 5% reduction of benefits for each year prior to the normal retirement age. There is no age restriction or penalty for early retirement after 30 years of service. For FRS members hired after June 30, 2011, normal retirement benefits are available to employees who retire at or after age 65 with 8 or more years of services. The average final compensation used in calculating retirement benefits will be the highest 8 fiscal years of salary. Maximum benefits are earned after 33 years of service for Regular class, Senior Management Service Class and Elected Officers' Class. The DROP program permits employees with 30 or more years of service to process their retirement yet continue to work. The monthly benefits for the participants are placed in an investment account for the period of time the employee participates in DROP. The maximum period that an employee may participate in the DROP program is 8 years. Employees in the DROP program do not contribute 3% of their salary to the FRS retirement system. Participating employer contributions are based upon statewide rates established by the Legislature for FY2026-2027. The current rates applied to employee salaries are as follows:

Membership Class		Final Rate 7/1/2025	Normal Cost 7/1/2026	Unfunded Actuarial Liabilities	HIS **	PEORP Admin	Final Rate 7/1/2026
Regular	HA	14.03%	7.11%	4.42%	2.00%	0.06%	%
Special Risk	HB	35.19%	21.58%	14.10%	2.00%	0.06%	%
Special Risk Admin	HJ	39.48%	11.45%	28.28%	2.00%	0.06%	%
Elected Officials	HI	54.57%	11.45%	41.49%	2.00%	0.06%	%
Senior Mgmt.	HM	33.24%	8.68%	21.86%	2.00%	0.06%	%
DROP *	DP	22.02%	9.86%	10.26%	2.00%	0.00%	%

\*DROP denotes Deferred Retirement Option Program      \*\*H.I.S. denotes a Health Insurance Subsidy
