

FORM 8-I

CERTIFICATE BY ENGINEER

Re: _____
Subdivision or Other Improvement

I hereby certify that to the best of my knowledge and belief this project has been built in substantial accordance with the construction plans and specifications as approved by Highlands County, and that minor deviations, as listed and noted on the attached set of signed and sealed record drawings, will not prevent the project from functioning in compliance with the requirements of Section 12 Highlands County Code of Ordinances Land Development Regulations and Technical Standards Manual, as amended. Any minor deviations from the approved plans and specifications will not result in deviations requiring variances from Section 12 Highlands County Code of Ordinances Land Development Regulations. These determinations have been based upon the site observations of construction, scheduled and conducted by me or by a representative under my direct supervision. All reasonable and required inspections, tests and physical measurements have been made to determine this work has been done in accordance with the Code of Ordinance Land Development Regulations and the Highlands County Technical Standards Manual.
