Re: Application for Final Development Order for a Mining Permit Highlands County, Florida

Dear _____:

In compliance with the Highlands County Land Development Code your agency is hereby notified that the undersigned intends to make application to Highlands County, Florida, for a Final Development Order to obtain a mining permit. The project is described in the enclosed copies of the documents which are being submitted to Highlands County.

These documents include one copy each of the following: 1) Application for a Final Development Order, 2) plans for the construction of the mining operation, and 3) maps, drawings, calculations, etc., that may be required by the County Code.

Please reply directly to Highlands County Engineering Department, 505 South Commerce Avenue, Sebring, Florida, 33870-3869. County regulations state that "the application for a Mining Permit can not be acted upon by the County Engineer any sooner than 45 days after notification is mailed to the agencies listed in the Code." The application will either be approved or disapproved within 20 working days thereafter.

Sincerely,
