

PERMIT NO. _____

HIGHLANDS COUNTY

TEMPORARY USE/CONSTRUCTION APPLICATION/PERMIT FOR PUBLIC RIGHT OF WAY/PUBLIC LANDS

The undersigned hereby makes application to the County Engineer, Highlands County, Florida for a general permit which authorizes construction and maintenance within the named public right-of-way(s) or other public lands described in this application and detailed on accompanying drawings. Any permit issued pursuant to this application will be issued to and in the name of the applicant. In accepting this permit, the applicant agrees to be bound by the Highlands County Land Development Regulations including, but not limited to the following conditions:

SEC. NO. _____, T. _____ S, R _____ E

DATE: _____

Permission is hereby granted to: _____ of _____ (mailing address) for the construction and maintenance of _____

Subject to the following conditions:

- a. The construction and maintenance of the improvements shown on the attached drawings shall not interfere with the property and rights of anyone else.
b. All work shall comply with standards of the County Engineering Department and shall be subject to the approval of the County Engineer.
c. All materials and equipment shall be subject to inspection by the County Engineer, or its representative, located in Sebring, Florida.
d. All County property shall be restored to its original condition as far as practical, in the opinion of the County Engineer.
e. All construction shall comply with the standards and requirements of Article Six, Section Four of the Highlands County Land Development Regulations.
f. All overhead installations shall conform to clearance standards of the Florida Department of Transportation, and all underground crossing installations shall be laid at a minimum depth of thirty-six (36) inches below the pavement and at least thirty (30) inches below ditch grade.
g. The attached sketch covering the details of this installation shall be made a part of this permit.
h. The applicant expressly acknowledges and agrees that the permit is a license for permissive use only and that the placing of facilities upon public property pursuant to this permit shall not operate to create or to vest any property right in the holder of the permit.
i. Whenever necessary for the construction, repair, improvement, alteration, or relocation of all, or any portion of a road or street are determined by the County Engineer, any or all of the poles, wires, cables or other facilities and appurtenances authorized hereunder, shall be immediately removed from that road or street, or reset or relocated thereon, as required by the County Engineer, at the expense of the holder of the permit.
j. The permittee shall commence actual construction in good faith within sixty (60) days from the date of the permit and shall complete permitted construction within _____ working days.
k. Applicant declares that prior to filing this application the applicant has ascertained the location of all existing utilities, both aerial and underground.
l. The applicant understands and agrees that the rights and privileges herein set out are granted only to extent of the County's right, title and interest in the land to be entered upon and used by the permit holder.
m. The applicant further agrees that the applicant will at all times assume all risk of damage and loss and does hereby indemnify, defend, and save harmless Highlands County from and against any and all damages, cost or expense arising in any manner on account of the exercise or attempted exercises of the aforesaid rights and privileges by the holder of any permit issued pursuant to this application.
n. During construction, the holder of the permit shall comply with all safety regulations of the Florida Department of Transportation and the Manual of Uniform Traffic Control Devices current edition.
o. The office of the County Engineer shall be notified 24 hours prior to the start of any work.
p. This permit is granted for a period of one year and shall automatically re-new for additional one-year periods on each anniversary date unless the County revokes the permit, or the permittee decides to withdraw, and in either case, the permittee will restore the area to its previous condition or better.
q. The applicant hereby accepts responsibility for maintenance of any road cut or subterranean crossing for a period of 36 months after the County Engineer's office is notified of completion of construction.
r. The undersigned certifies that he has complied with the provisions of Section 553.851 (2) (a), Florida Statutes, as amended, concerning requesting gas pipeline location information and will comply with the provisions of Section 553.851 (2) (c) and (f), Florida Statutes, by notifying pipeline owners 48 hours prior to any excavation.
